University

# welcome

## Message from the President

Welcome to Woodfield University - the place where your dreams come alive. Our mission is to make quality education accessible to every individual regardless of their age or geographical location.

At Woodfield University, students are not required to set their foot in campus everyday neither do they need to disturb their schedule at work. Exclusive degree programs and a wide variety of subjects help students in attaining their educational goals without compromising on their personal or professional life. Woodfield's accreditation and globally accepted degrees, team of eminent scholars and trained academicians, on-line distance learning programs and student support services help students succeed in their professional lives and careers.

At Woodfield University, counselors are always there to provide students with complete assistance not just in academic matters but also to give valuable advice for professional feats.

We hope you will enjoy reading our brochure.

President  
Woodfield University

# Overview

Due to its flexibility and convenience, online learning has become one of the most sought after concepts these days. People, from all age groups, prefer this method of learning. Unlike traditional learning method it does not require you to spend time at the campus or take extensive exams to substantiate your knowledge. There are various educational institutes that are carrying forward this concept of flexible online learning. Woodfield University is one of them.

A leading online distance learning institute, Woodfield University provides students with an opportunity to earn degree in their preferred subject at their own pace.

Woodfield University is not just offering Associate's, Bachelor's, Master's, Doctorate and PhD degrees but also High School Diplomas; making it a complete educational institute.

Woodfield University has earned its accreditation status from the Universal Accreditation Agency for Online Education (UAAOE).

## Mission

Woodfield University's mission is to provide quality education to people from all age groups and walks of life. From working professionals and job-seekers to fulltime moms, everyone can make most out of it.

## Statement of Philosophy

As a responsible institution of on-line distance learning, Woodfield University believes it has a duty to help shape and guide the academic life of the students who enroll in any of its programs.

## Commitments of Woodfield

- ▶ Educate people using modern technologies such as the internet
- ▶ Educate people regardless of time and geographic boundaries
- ▶ Provide all degree programs at prices that can be easily afforded by anyone

# Payment Process

Woodfield University accepts the following payment modes:

- ▶ Credit Card/Debit Card/Prepaid Cards
- ▶ Bank Check or Money Order (from US drawn banks)

You can pay through any of the options most convenient for you.

## Flexible Payment Plan:

Woodfield University's Flexible Payment Plan lets you pay for your application in easy-to-make installments. You start by paying an initial amount of \$99 only. The balance can then be paid within 30 days of paying the initial amount. If, for example, your degree package costs around \$399, you would pay \$99 initially, and then \$300 within 30 days of paying the initial amount.

# Student Services

To us students and their needs come first. Keeping in view their requirements, we have designed a bunch of special services for our students targeted towards making their association with the stronger. We can bet that no other university would offer such outstanding services and facilities.

## Education Verification Service

Woodfield University's 24/7 education verification service allows educational institutions or employers to check authenticity of the credentials that are being submitted to them. Verification does not just ensure that an institute exists but it also helps in creating lasting impression of the student.

### Method 1 Education Verification Letters

We provide letters with details of the link that could be visited to validate credentials. Students can either submit the letter themselves to the respective party or ask the university to send the letter directly to the employer or educational institute.

### Method 2 Education Verification via Phone

To authenticate submitted documents, educational institutions or employers can contact education verification advisor toll free 24 hours a day, 7 days a week.

### Method 3 Education Verification via Email

To ensure credibility of the credentials, Woodfield University also sends email on the behalf of the student to his requested party.

### Method 4 Education Verification via Fax

Fax is another verification method that Woodfield University offers to its students. If required, Woodfield University would also send fax on the behalf of the students to his/her respective educational student or employee.

# Student Counseling

Woodfield University has the most effective student counseling system. Queries, concerns, comments or suggestions, Woodfield University student counselors are always there to lend an ear to the students. We make sure that students get solution to all their problems in the most efficient manner. Woodfield University has all communication modes at work to make contact procedure simple and efficient.

## Phone

Wherever or whenever, students can contact our toll free number, 24x7.

## Chat Live

Students can communicate their queries and concerns to us via live chat option. This option can be availed 24 hours a day and 7 days a week.

## Email

Some students like to share their problems in black and white. For them we have email system. The response is real fast and prompt.

## Fax

Students can also share their problems with us via fax. The response will be equally prompt as in other modes of communication.

## 24-hour Student Support Center

Academic Consultancy is available for students 24/7. Our student counselors are available at the disposal of student's right from enrolling in their respective degree program to becoming an alumnus.

# Alumni Services
